

## CHANCEL COMMITTEE

We want to thank everyone who ordered flowers for the special seasonal celebrations and contributed flowers for other Sundays during the year.

Ash Wednesday was on March 1, which was the beginning of Lent. The Lenten banners were hung for the first Sunday in March.

Easter was on the third Sunday in April. The Easter banners were hung and the sanctuary was decorated with Easter lilies, daffodils, hyacinths, and various colors of tulips.

Pentecost was on the first Sunday in June. The Pentecost banners were hung and the sanctuary was decorated with red geraniums. The geraniums were planted outside in barrels next to the walkway.

During July through November we hung four different sets of banners.

On the Sunday before Thanksgiving, the table was decorated with various seasonal fruits and vegetables, along with a large candle.

The first Sunday in December was the beginning of Advent. The Advent banners were hung and the Advent wreath was set up. On the third Sunday in December we decorated the sanctuary with poinsettias and the side banners were hung. The table was decorated with poinsettias, two mirrors, two large candles, and gold ribbon. We were able to put poinsettias on six of the windowsills along with the votive candles. On the Sunday before Christmas the candelabras were set up for the Christmas Eve service.
